The Agreement is effective as of the last date of signature noted above. The Term of the Agreement will begin (Service Commencement Date) according to the following option selected by the Customer (if neither box checked, Option 1 is the default):

Option 1: ☒

Service will begin on July 1, 2014. Customer is requesting E-Rate support, but agrees that it will obtain Service and be liable for payment regardless of whether it receives E-Rate support.

Option 2: ☐

Service will begin only after Sprint has received a Funding Commitment Decision Letter awarding E-Rate funds to Customer, and in no case before July 1, 2014. Customer will be responsible for payment for Service throughout the Term and for any amounts not covered by the E-Rate program, regardless of the availability of E-Rate funding in future years.

[1] Visual Estimate based on current E-rate Subsidy - Sprint offers both SPI and 472 Reimbursement Options

[1] The estimated E-rate Subsidy Discount and Estimated Applicant Payment After Subsidy are estimates based on information available to Sprint at the time this quote was prepared, including (but not limited to) prior year data for subsidy discounts and payments. Customer eligibility and final E-Rate Subsidy discounts and funding amounts are determined by USAC, not Sprint. Sprint is not responsible for Customer's compliance with FCC, USAC or Other Funding Source rules and regulations, Customer's applications for Support, or any decisions or actions by the FCC, USAC or Other Funding Sources with respect to Customer.
